COURSES & GRADES UC & Common Application

CSU, UC and Common Application define course scheduling systems as follows:

- Full year = 1 final grade per year
- Semester = 2 final grades <u>per year</u>
- Trimester = 3 final grades <u>per year</u>
- Quarter = 4 final grades <u>per year</u>

Whether your school says they are trimester or quarter (4x4), students need to enter courses as a semester scheduling system

COURSES & GRADES UC & Common Application

AP COURSES

- AP courses are <u>2</u> semesters
- An AP Seminar or an AP Bridge course is <u>1</u>semester and not part of your AP grade. Enter it as a separate course. <u>UC will be different – see UC section.</u>
- AP Seminar/Bridge courses are <u>NOT A-G</u> and are <u>NOT weighted</u>

We understand, this just doesn't feel logical. But trust us! You should enter all your courses as a semester scheduling system.
